- 4 Wausau Police Department Quarter 4 2024 Operations Report.
- 5 Tavern Activities Report - December 1 - December 31, 2024.
- 6 Community Outreach Update.

Adjourn

Lisa Rasmussen, Chairperson

NOTICE: It is possible that members of, and possibly a quorum of members of the Committee of the Whole or other committees of the Common Council of the City of Wausau may be in attendance at the above-mentioned meeting. No action will be taken by any such groups.

Members of the public who do not wish to appear in person may view the meeting live over the internet, live by cable TV, Channel 981, and a video is available in its entirety and can be accessed at <https://tinyurl.com/WausauCityCouncil>. Any person wishing to offer public comment who does not appear in person to do so, may e-mail kaitlyn.bernarde@ci.wausau.wi.us with "PH&S public comment" in the subject line prior to the meeting start. All public comment, either by email or in person, will be limited to items on the agenda at this time. The messages related to agenda items received prior to the start of the meeting will be provided to the Chair.

This Notice was posted at City Hall and sent to the Daily Herald newsroom on 01/24/2025 @ 4:00 PM

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 (ADA), the City of Wausau will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs or activities. If you need assistance or reasonable accommodations in participating in this meeting or event due to a disability as defined under the ADA, please call the ADA Coordinator at (715) 261-6622 or ADAServices@ci.wausau.wi.us to discuss your accessibility needs. We ask your request be provided a minimum of 72 hours before the scheduled event or meeting. If a request is made less than 72 hours before the event the City of Wausau will make a good faith effort to accommodate your request.

PUBLIC HEALTH & SAFETY COMMITTEE

Date and Time: Monday, December 16, 2024, at 5:15 p.m., Council Chambers

Members Present: Lisa Rasmussen (C), Lou Larson (VC), Becky McElhaney, Carol Lukens

Members Excused: Sarah Watson

Others Present: Anne Jacobson, Mathew Barnes, Jeremy Kopp, Peter Fish, Tracy Durante

Noting the presence of a quorum Chairperson Rasmussen called the meeting to order at 5:15 p.m.

Approve minutes of previous meeting (11/25/2024).

Motion by Larson, seconded by Lukens, to approve. Motion carried 4-0.

Consider approval or denial of various license applications.

Rasmussen stated there were denial recommendations for Trevor Clough, applicant for New Bartender/Operator License, and Sara Sperka and Karissa Tessmer, applicants for Bartender/Operator License Renewal. It was noted these applicants did not appear to appeal their decisions.

Rasmussen stated the Liquor License Review Subcommittee met immediately before this meeting with Asch Gardens LLC, owners Kristen and Matthew Aschbrenner, doing business as Asch Gardens, MOCA, Inc., agent., Kristi Nowitzke doing business as Wausau Museum of Contemporary Art, and Glass & Grain House LLC, owners Leah and Erich Hoelter, doing business as Glass & Grain House, applicants for a “Class B” Beer & Liquor License. It was stated the subcommittee voted unanimously to move forward with the recommendation of Glass & Grain House LLC, owners Leah and Erich Hoelter, doing business as Glass & Grain House. It was stated this applicant was recommended due to already operating with an alcohol license.

Rasmussen stated the Liquor License Review Subcommittee met immediately before this meeting with Asch Gardens LLC, owners Kristen and Matthew Aschbrenner, doing business as Asch Gardens, and Onora Hotels LLC, owners Juan Antonio Casarrubias and Lesli Iverson, doing business as Venado Cafe & Wine Bar, applicants for “Class B” Beer & Liquor Reserve Licenses. It was stated the subcommittee voted unanimously to move forward with the recommendation of both applicants.

Motion by Larson, seconded by Lukens, to accept or deny license as recommended by staff. Motion carried 4-0.

HEARING: Appeal of Declaration of Chronic Nuisance Premises - 1013 N. Third Avenue.

Rasmussen called forward all the witnesses to be sworn in for testimony by the clerk. Chad Thompson, the owner/landlord of the property at 1013 N. Third Avenue, and Officer Mason Hagenbucher were sworn in. Rasmussen proceeded with instructions for the hearing.

Thompson and Hagenbucher testified, followed by questions asked and answered between the witnesses and members of the committee. McElhaney questioned why the declaration of chronic nuisance was issued when the owner of the property was the one who reported the criminal activity of the tenant. It was stated that when the owner of the property reports the criminal activity it negates the need to issue the declaration. Larson questioned if the landlord had been cooperative with the police department. It was stated the landlord was being cooperative.

CLOSED SESSION pursuant to Section 19. 85(1)(a) of the Wisconsin Statutes: Deliberating concerning a case which was the subject of any judicial or quasi-judicial trial or hearing before that governmental body.

Motion by Lukens, seconded by Larson, to convene in Closed Session.

Roll Call Vote – Yes: Lukens, McElhaney, Larson, Rasmussen; No: None. Motion carried 4-0.

CONVENED into Closed Session.

RECONVENED into Open Session for the purpose of making a determination on the declaration of Chronic Nuisance Premises — 1013 N. Third Avenue.

Rasmussen read the Findings of Fact and Conclusions of Law into the record. It was stated the committee granted the appeal of the owner and reversed the declaration of Chronic Nuisance Premises at 1013 N. Third Avenue of the Wausau Police Department on September 25, 2024 constituting a chronic nuisance as defined in WMC Section 9.24.070.

Findings of Fact and Conclusions of Law placed on file.

Discussion and possible action on sale of Wausau Fire Department Ladder 2 and potential replacement purchase.

Rasmussen questioned if the fire department had experience with other truck manufacturers under consideration for replacing ladder 2. It was stated the department did not have direct experience with the manufactures, but a particular company was more prevalent in the state. Rasmussen stated a preference for working with manufacturers with proven quality and experience. It was stated the committee was to decide the policy of selling the equipment and moving forward to having the Finance Committee decide on the purchase of a replacement.

Larson stated it would be difficult to sell equipment when the cause of a potential malfunction had not been determined. It was stated liability is limited as there would be full disclosure when selling the equipment. Larson stated approval of selling the equipment should liability not fall on the city.

McElhaney questioned what would happen should a further investigation determine the malfunction was caused by the equipment. It was stated the sale would have to be done in coordination to allow for an additional investigation.

Lukens stated the department needed equipment to replace this and the liability is a work compensation claim for the city and not a liability on the equipment itself from the city. Lukens stated the city will gain from the sale.

Rasmusen stated replacement equipment should be based on quality and experience as opposed to speculation on equipment that has not been tested in this climate before.

Motion by Lukens, seconded by Larson, to recommend to the Finance Committee to move forward with the sale of Ladder 2 and work with city staff to finance the amount and timing of the purchase. Motion carried 4-0.

Tavern Activities Report – November 1 – November 30, 2024.

Rasmussen stated that after discussions with the police and increased patrols of the area of After Shock Bar & Grill, the owners were cooperative with improving conditions to be less disruptive to the neighborhood.

Report placed on file.

Community Outreach Update.

Larson questioned if the new people in the shelter system are new to the area. It was stated the shelter system does not ask that question and the Community Outreach Coordinator had not been able to make contact with all 25 new people to make that determination yet.

Report placed on file.

Adjourn

Motion by Lukens, seconded by Larson, to adjourn. Motion carried. Meeting adjourned at 6:34 p.m.

WAUSAU PD OPERATIONS REPORT

4TH Quarter 2024

Chief's Message

Over the past four to five weeks, I have been contacted by representatives of community-based organizations and concerned citizens regarding fears within families about immigration status and enforcement by the Wausau Police Department. I want to take this opportunity to clarify our position and the policies of the Wausau Police Department on this matter.

The Wausau Police Department is deeply committed to the safety and well-being of all individuals in our community, regardless of their immigration status. It is our policy and practice that Wausau Police Officers do not concern themselves with the immigration status of crime victims, witnesses, or, in most cases, individuals subject to enforcement actions. Immigration status is only considered when there is reasonable belief that an individual has committed serious crimes that significantly impact public safety.

An individual's right to file police reports, access services, or seek assistance from the Wausau Police Department is not dependent on their citizenship or immigration status. Every Wausau Police Officer is held to the highest standards of professionalism, respect, and fairness, and we remain committed to treating everyone equitably. Officers do not and will not routinely inquire about immigration status during police interactions.

Additionally, Wausau Police Officers do not request passports, green cards, or other immigration documents as a routine part of their duties. However, these documents may be accepted as valid forms of identification if they are voluntarily presented by the individual.

In situations where federal assistance is requested, the Wausau Police Department evaluates each request on a case-by-case basis. In limited circumstances involving public safety concerns, such as suspected terrorism, gang involvement, or serious felonies, we may collaborate with Immigration and Customs Enforcement (ICE) or seek their assistance.

Our policies and practices have not changed, nor do we anticipate any changes in the foreseeable future. We want to emphasize that no one in our community should feel afraid to contact the Wausau Police Department for help. Our mission remains to "enhance the quality of life" for every resident in Wausau.

I hope this message provides clarity, reduces fear, and addresses questions circulating in our community.

Thank you for your trust and partnership.

Sincerely,

Chief Matthew Barnes
Wausau Police Department

Counting Rules

Counts on this page are based on the month of the incident or arrest, rather than the month the incident was submitted. If the incident date is unknown, the report date is used. Counts are subject to change as data are updated.

Offense counts are calculated based on the number of offenses for each victim (per incident) for Crimes Against Persons and the number of unique offense types (per incident) for Crimes Against Property and Crimes Against Society. For burglary and motor vehicle theft, offense counts are based on the number of premises entered and the number of vehicles stolen, respectively.

Victim counts are calculated based on the number of victims connected to each unique offense type in an incident. For Crimes Against Persons, the number of victims will be equal to the number of offenses. Victims will be counted more than once if they are connected to multiple offenses.

Arrest counts are calculated based on the number of arrestees listed on a Group A or Group B incident. Each arrestee is counted only once per incident. Arrests are categorized based on the specific Group A or Group B arrest code submitted by the agency, rather than the incident offense code. Since agencies only submit the most serious arrest charge for each arrestee on an incident, arrest counts are not indicative of the number of charges.

Incidents are cleared in one of two ways: by arrest or by exceptional means. Clearance counts are based on the number of offenses cleared in a given month regardless of when the offense occurred, and can therefore be greater than the number of offenses in a given month. In incident-based reporting, the first arrest on an incident, or an exceptional clearance, will clear all offenses associated with the incident.

Drug Overdoses

2024

2019-2024

Overdoses by Location (current year)

Summary

In 2021, the Wausau Police Department recorded the highest number of drug overdose responses in its history, with 40 overdoses, including 12 fatalities.

In 2022, overdoses decreased by 12% to 35 cases, driven by a 25% reduction in fatalities (9 total).

This downward trend continued in 2023, with a 23% drop to 27 overdoses. However, fatalities increased slightly to 10, while non-fatal cases totaled 17.

By 2024, overdose responses hit a six-year low, with 19 cases reported (6 fatal, 13 non-fatal). Fentanyl toxicity remains the leading cause of these overdoses.

Downtown Officer Program

This quarter brought colder temperatures coupled with a waning in use and open hours of operation at the Catholic Charities Day Center. Several abandoned encampments were located on private property and one occupied encampment was located on private property. The occupants were cited for trespassing and littering, as this was the fifth camp they had established on this same section of land.

Services continue to be utilized when appropriate by those that are interested, both of their own volition and at officers' referral.

We were notified that even on the colder days this winter, the night shelter is typically not at capacity. That said, there has been a marked decrease in the number of people sleeping in camps, in parks, and in parking ramps. Other city agencies (DPW, Parks Department) also note massive improvements when compared to this same time last year. Businesses downtown have reported significant improvements with issues relating to inappropriate loitering or people being where they are not supposed to be (i.e., gaining access to closed areas after hours, etc.).

As we navigate the first winter months in our positions, we will develop a road map for the next year to ensure progress continues.

Officer Nathan Porath & Officer Mike Horejs

*CART is a shared resource with MNSO; above data represents WPD jurisdiction activities only. WPD has one (1) CART Officer, on M-F day shift schedule. This position is not back-filled during the CART Officer's off-days. MNSO's CART Deputy also responds to relevant CFS in the City when available.

"CFS": Calls For Service (Officer initiated activities and calls received from Dispatch).

"Mental Health" and "Welfare Check" are the two most common types of CFS (coded by Dispatch based on the initial information reported) that involve individuals in crisis.

"Community" origin of 51.15 / 51.45: Law enforcement is called to a location in the community (*residence, business, public location*) in response to an individual in crisis (or incapacitated). De-escalation, safety planning, and/or diversion is not viable or is unsuccessful, resulting in 51.15 or 51.45 detention.

"Facility" origin of 51.15: While under care or custody of the Jail, NCHC, or medical facility; an inmate or patient is suicidal or otherwise assessed on-site by a Crisis Professional, and deemed in need of 51.15. Law Enforcement is then called upon to confirm and complete the 51.15 (as required by WI Stats.) **Lacks opportunity for diversion.**

"51.15": "Emergency Detention" under WI Statute 51.15. Law enforcement may take into custody an individual who is:

- (1) Mentally ill, drug dependent or developmentally disabled, and;
- (2) A substantial probability of physical harm to him/herself or others is evident by recent acts or omissions, attempts or threats.

"51.45": "Alcohol or Drug Detention" under WI Statute 51.45. "A person who appears to be 'incapacitated by alcohol or another drug' shall be placed under protective custody by a law enforcement officer."

Records Bureau

Law enforcement would not be able to do its job successfully without access to data. The 79 sworn officers at the Wausau Police Department create a lot of data and paperwork, but it's only useful if it can be found when it's needed, and only if it gets to the correct people. We have one Office Manager, four Administrative Assistants that keep all of our processes moving. They receive information from the officers, be sure it is entered and properly cataloged, forward it to other agencies and departments, and then review and potentially release when requested. This includes paper reports, squad video and body worn camera, photos, and lost and found items.

This department is also the first point of contact for customer service for the public. They are a cheerful, resourceful group who go out of their way to be sure needs get met in as timely a manner as possible.

Statistics for October 1 to December 31

October - December 2024 in the Community Resource Unit

Community Resource Unit consists of 4 officers and 1 Lieutenant (CROs)

- **There was one reported drug overdoses in the city during the months of October – December**
 - Patrol initially investigated the non-fatal overdose. The CRU took over the investigation and arrested one adult male for delivery of fentanyl, 1st degree recklessly endangering safety, and numerous other drug charges.
 - Overdose numbers continue to decline, likely attributed to the access to naloxone availability.
 - A total of 17 overdoses reported in 2024 which is significantly down from previous years.
- **Conducted drug trafficking investigations to include;**
 - **7 residential Search warrants / 10 other search warrants / 12 Consent Searches**
 - In 2024, the Community Resource Unit seized the most methamphetamine, marijuana, cocaine, psilocybin mushrooms, cocaine, and drug paraphernalia since the unit was created.
 - CRU investigated an adult male who was bringing large amount of fentanyl into the Wausau area. CRU was made aware the male was on his way back to Wausau after going to Milwaukee to purchase fentanyl. The male was located and arrested with over 66 grams of fentanyl.
 - CRU conducted a traffic stop where a total of seven firearms were seized. One of the firearms was stolen, and one had an illegal “Glock switch”, turning the firearm into an automatic weapon.
 - CRU conducted an undercover investigation into a male from the Stevens Point area who was trafficking fentanyl into the Wausau Metro area. The male arrived in Wausau with over 15 grams of fentanyl and was subsequently arrested.
 - **Seized 246.81 grams of Methamphetamine**
 - One use is usually around 0.1 gram (point)
 - *2468 doses/uses seized this quarter*
 - **Seized 191 prescription pills**
 - **Seized 56.18 grams of Cocaine**
 - One use is usually .3 grams
 - *170 doses / uses seized this quarter*
 - **Seized 89.56 grams of Heroin**
 - One use is .05 - 0.1 gram (half point or point)
 - *890-1780 uses/doses seized this quarter*
 - **Seized 5598.51 grams (12 lbs) of Marijuana**
 - a gram will produce 1 to 2 joints
 - *5598 - 11,196 joints worth seized this quarter*
 - **Seized eight firearms.**
 - **90 arrests, 116 felony charges,**
 - **\$6406 Seized from drug trafficking proceeds**

*During a routine tavern inspection, officers check for the following:

Sober, licensed bartender present.

Presence of underage persons.

Intoxicated persons being served.

Entertainment license posted if applicable.

In addition to the listed tasks, officers often conduct walkthroughs of taverns, especially when observing large crowds to establish a visible presence, aiming to discourage criminal activities and to encourage compliance with ordinances related to alcohol licenses.

CONVENIENCE/GROCERY STORE INSPECTIONS

None.

RESTAURANT INSPECTIONS

None.

ALCOHOL COMPLIANCE CHECKS*

None.

*Alcohol Compliance Check Procedure: Police officers conduct alcohol compliance checks by deploying with underage volunteer(s) to taverns and other licensed establishments selling or serving alcoholic beverages to ensure compliance with ordinances related to alcohol licenses.

ACTIVITY LOG

Bob & Randy's Bar, 1515 N 6th Street

- (1) *Event #24153793 12/02/2024, at 19:42 Hours.* CRIMINAL MISCELLANEOUS: Employee called about a patron yelling racial slurs refusing to leave. The bar wished to have the male trespassed and the male refused to identify himself. The male was arrested for obstruction and was briefly placed on a probation hold before being admitted to Aspirus Wausau Hospital for high BrAC (0.34) and other medical issue(s).

Cop Shoppe Pub, 701 Washington Street

- (1) *Event #24163214 12/24/2024, at 01:12 Hours.* JUVENILE ALCOHOL: An Officer responded to the report of a possible juveniles in the bar, made by a refused caller. Officers arrived approximately six minutes after the call was created by dispatch. Upon arrival officers observed four patrons whom appeared to be of legal drinking age. The bartender stated there had been no one else there for hours other than one person who walked in and was turned away due to a ban.

Glass Hat Bar, 1203 N 3rd Street

- (1) *Event #24164647 12/27/2024, at 23:19 Hours.* CRIMINAL MISCELLANEOUS: Officers responded to the report of a domestic disturbance where a male forcefully removed a female from the bar. Bar staff reported the incident. As a result, officers located the couple who were separated, but near the area. The male was arrested for Disorderly Conduct (Domestic) and resisting.
- (2) *Event #24166363 12/31/2024, at 22:58 Hours.* JUVENILE ALCOHOL: A refused caller reported a person rents out the bar and throws a New Years Eve party and allows under aged persons to attend. An officer determined the person reportedly allowing this was the event promoter. Officers also confirmed four security personnel were hired to work at the event who were equipped with ID scanners who were tasked with scanning the ID of everyone entering.

Re: Community Outreach Update

Unhoused Data

The following graph shows the number of unduplicated¹ guests housed by each organization in the previous month.

Unhoused Data Summary

In December, data suggests there were approximately 180 unhoused individuals identified in Wausau through various partnering agencies. As indicated in the footnote, 180 is not the true number of unhoused. As of today, organizations do not cross-reference names when coming up with their unduplicated count. This means an unhoused individual may be part of more than one organization's count, thereby inflating the true number of unhoused. An example is provided in the footnote. This number also does not include those individuals who are considered "couch surfing".

¹ The numbers reflected do not eliminate duplicates across organizations. For example, a person who stays at The Good Shepherd Shelter and Marathon County jail in the same month will count as 1 person for each organization.

In the graph above, 79 percent of the unhoused sought or received shelter in the month of December, 21 percent of the unhoused were living outside, or in places not meant for human habitation.

The Women’s Community data includes crime victims who sought shelter because their home was unsafe. This number reflects both adult residents (12) and their children (8).

Bridge Street Mission includes individuals who have received shelter after release from jail/prison, drug rehab, or homelessness. The number reflected should include all individuals who are housed at Bridge Street Mission, because without this amazing program in our community, 23 (per this month’s census) individuals would likely be unhoused in our community.

The Marathon County Jail includes individuals who identify as “homeless” or “unhoused” at the time of booking.

Daily Census

We are working hard to collaborate with our partner organization to get a handle on shelter capacity in Wausau. It’s important to know if we’re meeting or exceeding capacity. Current shelter capacity for single adults lies solely on Good Shepherd shelter, formerly known as, the Wausau Warming Center, and their total bed capacity is 30, with the ability to expand to 40 when temperatures fall below 15 degrees or above 90 degrees.

Good Shepherd Daily Census

Good Shepherd Daily Turn-aways

Daily Census Summary

On average, capacity was at 96 percent for the month of December. The Good Shepherd Shelter was at or over their capacity a total of 22 days in the month of December.

Continued collaboration exists to ensure that the unhoused population have access to services.

We continue to work with our partner organization to learn how many people are turned away each night. In addition to capacity, individuals are turned away for a variety of other reasons. The “turn-away” statistics for the month of December are as follows: The Good Shepherd Shelter = 66

*It is important to note that The Good Shepherd Shelter does reserve beds for individuals that are working. When individuals do not show for their bed saves, it results in the shelter not reaching their 30-bed capacity for the night.

Outreach Update

In December, 8 individuals met with Outreach Specialist and were given resources and assistance with housing applications, etc.

In addition to assisting with housing, we have also provided additional aid like transportation to medical/psychiatric appointments, bus passes, medication management, collaboration with St. Vincent

DePaul, Catholic Charities, NCCAP, Social Services, Probation/Parole, and CW Solutions (FSET). Assistance was also provided with obtaining identification, setting individuals up with additional services through the ADRC as well as Community Treatment through NCHC. Case/Care Management is a service provided through both resources.

Collaboration with landlords and other non-profit agencies is on-going. Office hours at agencies throughout the city have proven beneficial in reaching the unhoused population.

Challenges and Opportunities

While we celebrate every time an unhoused individual achieves stable housing, the work does not and cannot end there. Generally, the unhoused population is vulnerable. Without someone providing ongoing support, management, intervention, accountability, and aid, the chances of remaining housed wane dramatically. In other words, our work can and will be undone in short order without systems to sustain the work. Thankfully, there are systems in place, but there are also gaps. Where gaps in case management exist, we are filling that void. We recognize, however, that our time and resources are limited in this regard. As a result, we are working to improve our understanding and relationship with existing systems while also exploring solutions that not only bridge the gap to housing, but to the essential supports that will make housing permanent.
