A Wisconsin Alcohol Industry Update

Top News:

- New DAB Hires
- Municipal Retail Alcohol Beverage License Forms Update
- Statewide Operator's Permits
- Unauthorized Purchases

Greetings Readers!

I'm **Ann DeGarmo**, Editor in Chief of DOR on Tap (we changed the layout, isn't it fun?). I'm excited to report that my role with DOR on Tap hasn't changed, but my role within the Department of Revenue has! I am thrilled to join the leadership team in the Division of Alcohol Beverages as the supervisor of the Education and Outreach Unit (E&O). We are the small but mighty team that answers phone calls, emails, maintains and updates municipal license forms, published guidance, and leads the Division's outreach presentations. Once fully staffed, E&O will be a team of three.

If you are interested in working for the Division, keep a close eye on [Wisc.Jobs](#) over the next month or so for career opportunity announcements. Since it's just me, answering all the inquiries can be tough, especially when there's so much building that must also be done. I encourage you to review the [Division of Alcohol Beverages Webpage](#) to see if your questions can be answered by any of our existing resources. If not, email is the best way to reach the team these days. Use the contact information provided later in this newsletter.

My long-term vision for the unit is to provide high-quality educational resources, in different formats, customized to different stakeholder audiences. From my first day serving in the DOR Secretary's Office in 2019, I've been engaging with alcohol beverage regulation. I'm excited to serve this community and look forward to each opportunity I get to interact with business owners, clerks, legislators, and trade associations.

He brings 10 years of law enforcement experience and 6 years of state service to the Division.

Special Agents Zautner and Gregory are headquartered out of Madison and will serve southwest and south-central Wisconsin.

Appleton

Travis Borkenhagen

Travis joins the Division after serving as a Sergeant for the Ripon Police Department. With over 12 years of law enforcement experience, he brings his perspective working in a small city with a small, diverse private college campus to the job and leadership skills from serving as president of his union. Special Agent Borkenhagen is headquartered out of Appleton and will work with Special Agent Goodreau to serve northeast Wisconsin.

Diana served as Chief of Police for the City of Arcadia for 12 years before joining the Division of Alcohol Beverages. With over 19 years of experience in law enforcement, she brings her executive leadership, community policing, and unique experience with the alcohol beverage licensing process to the job. Special Agent Anderson is headquartered out of Eau Claire and will work with Special Agent Robertson to serve northwest Wisconsin.

Clerk's Corner: Municipal Retail Alcohol Beverage License Forms Update

Based on outreach efforts DAB and the Department of Revenue undertook last year, municipal clerks made it clear that an abbreviated renewal form was a priority for future licensing seasons. Unfortunately, the holidays, January 1 implementation deadlines, and staffing changes got in the way of creating a renewal form for the upcoming licensing season.

Please continue to use Form AB-200 to process your new and renewal applicants for license year 2025-2026.

A Bright Future

We are prioritizing an abbreviated renewal form for the 2026-2027 licensing season that is expected to debut in Winter 2025. Further, the plan is to conduct an annual review of license forms that result in the forms being reviewed and updated (if necessary) every December. We've had a lot of changes in the last three years and are hoping to create a process that follows a more predictable schedule in the future.

Small Changes

A few minor changes were made to streamline Forms AB-100 and AB-101. Please accept either version

of Forms AB-100 and AB-101 as part of a complete application package for 2025-2026.

Changes made to Form AB-100:

Changed the phrasing of Part C, Question 1 relating to address history, asking for the month and year a person permanently moved to Wisconsin.

Changes made to Form AB-101:

Changed "Age" to "Date of Birth."

WHY: The previous versions of these questions incorporated annual changes in this information due to the passage of time. Every year, we all get a year older and have lived in Wisconsin a year longer. Asking for the originating information eliminates these forms from having to be re-filed annually just because another year has passed.

Provide your feedback!

If you have suggestions about any license forms, please email DORAlcohol@wisconsin.gov with "Retail Alcohol Beverage License Forms 2026" as the subject.

Clerk's Corner: General Licensing Process

This article first ran in the May 2023 Edition. It has been refreshed and is ready for your use for the 2025-2026 licensing season!

Alcohol beverage renewals have already started in most municipalities. Licenses, except those issued by the City of Milwaukee, expire on June 30. State law requires following a specific process when an alcohol beverage license is received. Below is a general outline for this process.

- 1. Application Forms** - New businesses and renewing licensees should submit Form AB-200, *Alcohol Beverage License Application*. Include the following forms with each application, if applicable:
 - *Individual Questionnaire* (AB-100) for each agent, officer, member, partner, or individual owner as required by the municipality.
 - *Appointment of Agent* (AB-101) if the business is an LLC or corporation.
 - Any other documents or information the municipality may need to make a licensing determination.
- 2. Waiting Period** – Applications for initial issuance and renewal retail alcohol beverage licenses be received by the clerk 15 days prior to the board granting the license.
- 3. Publication** - The municipal clerk must publish each application for a Class “A” beer, Class “B” beer, “Class A” liquor, “Class B” liquor, or “Class C” wine license.
 - The publication shall include the name and address of the applicant, the type of license applied for, and the location of the premises to be licensed.
 - The newspaper used for publication shall be one that is published daily; a weekly newspaper may be utilized if a daily newspaper is not published in the municipality.
 - The publication shall be printed in a daily newspaper on three successive occasions, or if a weekly newspaper is utilized, it shall be printed at least once.

- At the time the application is filed, the applicant shall pay to the clerk the cost of publication as determined under sec. [985.08](#), Wis. Stats.
- There is no statutory timeline for publication, but DAB generally suggests publishing about seven days before the meeting in step 5.

4. Fees – Retail licenses may not be issued until the applicant pays the applicable license fees.

- Cities and villages may not require their applicants to pay fees more than 15 days prior to the license issue date.
- Towns may not require their applicants to pay fees more than 30 days prior to the license issue date.

5. Board/Council Review – The applicant will go before the municipal board or council to review the application.

- The applicant must meet the minimum qualifications to hold the license described in sec. [125.04\(5\)](#), Wis. Stats.
- Municipalities generally have broad authority when considering new license applications and may consider factors beyond the minimum qualifications, such as business plans, parking issues, and law enforcement access concerns, provided the municipality does not discriminate.

6. Issuance – If granted by the governing body, the clerk will issue the alcohol beverage license document to the new licensee. Alcohol beverage license documents may vary in appearance as they are prepared by each municipality.

2025 Vintage: Emergency Rules are Active

After a long fermentation period, [Emergency Rule 2419](#) went into effect on December 14, 2024, and will remain in effect until May 12, 2025. The department and division intend to request the maximum number of extensions to keep this emergency rule in effect through September 2025 or until permanent rules are in effect.

We received an exceptional amount of feedback from our stakeholders on this rule. This feedback generated a great product that provided a strong foundation to our permanent rule drafting process.

Now, we're prioritizing the finalization of permanent rules. There will be a public hearing in the next few months where we encourage your robust participation. If you want to get updates as soon as they are available on the administrative rules process, [sign up for the DOR Alcohol Beverage and Administrative Rules email lists](#).

New Brews

The Division of Alcohol Beverages (DAB) has published new permit application forms for nearly all alcohol beverage permits. These changes align the forms with updates from 2023 Wisconsin Act 73 and [Emergency Rule 2419](#). A complete list of permit application forms is available on the DAB website.

2023 Wisconsin Act 73 made sweeping changes to permit fees and Emergency Rule 2419 set the new fees. See the [advisory published on December 17, 2024](#), for a list of the updated permit fees for existing permittees and new applicants. Current permit holders do not owe any additional fees until their regularly scheduled renewal period, which occurs every two years. At that time, expect the bill from DAB to reflect the updated permit fee.

Send questions or comments on the new forms or fee changes directly to the Permitting Bureau by emailing DORAlcoholPermits@wisconsin.gov.

Statewide Operator's (Bartender's) Permits are Available Online!

On January 1, the Division of Alcohol Beverages released the Statewide Operator's (Bartender's) Permit to the public. Operator's Permits have the same requirements and authorizations of a locally issued operator's license, but the permit is valid for use in any municipality in Wisconsin. For more information about qualifications and authorizations of operator's licenses and permits, see [Fact Sheet 3104](#). The permit fee is \$200 every 2 years, plus a \$7 background check fee.

Statewide Operator's Permits are available through the department's online services program, My Tax Account (MTA). Applicants for operator's permits do not need to register for an MTA Account before completing the application.

Operator's Permits are located on the Division of Alcohol Beverage's [landing page](#) under the heading "Department – Issued Permits (Producers, Wholesalers, and Certain Retailers)." Select "Operator's Permit" and scroll to the "Excise" box. Selecting "Operator's Permit" will open a new application.

This permit is the first alcohol beverage permit application that is available exclusively online. The programming makes it easy for applicants to apply and difficult to submit incorrect information or incomplete applications. These permits are easier for the division to process and helps us turn around decisions more quickly.

No License, No Sales: Racine County Resident Convicted of Allowing Gambling on Premises, Selling Liquor and Tobacco Products Without a License

Ricco K. Farrell was charged with one felony count of setting up commercial gambling machines, one misdemeanor count of allowing gambling on premises, one misdemeanor count of selling liquor without a license, one misdemeanor count of allowing consumption of alcohol beverages in a public place without a license, and one misdemeanor count of selling tobacco products without a license.

In mid- to late-2020, Farrell began operating an illegal bar/nightclub called Dream Lounge without obtaining the required licenses from the City of Racine.

Following numerous police calls for service, city officials informed Farrell that a retail alcohol beverage license was required to sell alcohol beverages. In January 2021, Farrell submitted retail alcohol beverage license and retail cigarette/tobacco license applications to the City of Racine clerk's office. However, due to the high volume of police activity at this business, the City of Racine denied the licenses. Despite this denial, Farrell continued to operate the business, which included selling alcohol beverages, tobacco, and food.

On August 2, 2022, agents executed a search warrant at the business and criminal charges were subsequently referred to the Racine County District Attorney's Office. On October 17, 2022, Racine County Circuit Court declared the establishment a nuisance property and all business operations stopped at that time. Farrell pleaded guilty on September 20, 2024, to the misdemeanor count of allowing gambling on premises, the misdemeanor count of selling liquor without a license, and the misdemeanor count of selling tobacco without a license. All other charges were dismissed.

Farrell was ordered to pay \$3,090 in fines, court costs, and other surcharges. Farrell's charges were the result of an investigation conducted by Wisconsin Department of Revenue Special Agents. To report complaints about potential alcohol beverage or cigarette, tobacco, or vapor products violations, use the [Alcohol Beverage Complaint Form](#) or the [Cigarette, Tobacco, and Vapor Products Complaint Form](#).

Reminder to Wisconsin Alcohol Beverage Retailers

Generally, all alcohol beverages offered for sale at a licensed retail establishment must be purchased from a Wisconsin wholesaler holding a permit issued by the Division of Alcohol beverages. Licensed retailers may also purchase fermented malt beverages directly from a self-distributing brewer or brewpub. Retailers cannot purchase or otherwise obtain alcohol beverages from another retailer.

The following examples of intoxicating liquor purchases are illegal:

Example 1: A distillery in Wisconsin or another state offers to sell entire barrels of whiskey to a Wisconsin tavern owner. The distillery will bottle the whiskey expressly for the tavern and apply a unique label. The tavern owner agrees to pick up the products purchased directly from the distillery. *(A retailer cannot purchase any intoxicating liquor directly from a manufacturer for resale at their establishment.)*

Example 2: A Wisconsin tavern owner purchases too many cases of liquor or beer from a Wisconsin wholesaler. Instead of holding onto this slow-moving inventory, the tavern owner offers it for sale to another tavern in a nearby town. *(A retailer cannot purchase any alcohol beverages from another retailer for resale at their establishment.)*

Example 3: A Wisconsin tavern owner lives very close to the Minnesota/Wisconsin border. The tavern owner knows the owner of a Minnesota wholesaler that offers to sell to the tavern directly if they will drive across the border to pick up the merchandise from the warehouse. *(A retailer cannot purchase any intoxicating liquor or beer directly from an out-of-state wholesaler for resale at their establishment.)*

It is often misunderstood that a tavern owner may purchase a certain amount of liquor or beer from another retailer. Any such purchases are illegal. The misunderstanding usually originates from laws that impose lesser penalties on certain unauthorized purchases. Lesser penalties exist for a retailer that illegally purchases or possesses 4,320 fluid ounces (360 twelve-ounce cans/bottles) or less of fermented malt beverages in one month. Likewise, lesser penalties exist for a retailer that illegally purchases or possesses 12 liters or less of intoxicating liquor in one month.

Though the law provides for these lesser penalties in certain situations, any such purchases or possession are illegal and subjects the retailer to forfeitures, fines, adverse actions against their license, and potential confiscation of the illegal alcohol beverages by law enforcement officers.

City of Wausau Events Policy and Procedures

GOAL

It is the goal of the City of Wausau to encourage and coordinate special community events, while regulating these events in a positive manner to ensure the health and safety of participants in the event, efficient management of City services and the protection of public lands and facilities.

DEFINITION OF EVENT

“Event” means any planned extraordinary occurrence requiring City services and/or on public right-of-way or public premises including but not limited to: parades, processions, festivals, athletic events and events requiring street closures.

EVENT CLASSIFICATION

There are two classes of events: Class I, Class II. Each class has its own characteristics. An event does not have to have all the characteristics listed to be in the classification. The City reserves the right to make final determination of an event’s classification.

CLASS I: (~~\$150.00~~) (*Multiple day event \$187.50 or Serial day event \$300.00)

- Event will have a large number of participants and/or spectators (500 or more people).
- Event is open & may attract interest from the general population of the community & surrounding area.
- Usually involves the closing of a street (except residential block parties).
- May involve multiple events (i.e. parade and football game, carnival and crafts).

CLASS II: (~~\$45.00~~) (*Multiple day event \$56.25 or Serial day event \$90.00)

- Event is open to the public but is only of interest to a certain segment of the community (i.e. runners, walkers, supporters of certain causes, bicyclists, etc.).
- Most athletic events (i.e. tournaments, fishing contests).
(The events policy does not apply to local youth sports organizations that contract for regular season games or tournament play)
- May involve the closing of a street, except residential block parties.

EVENT REQUIREMENTS AND CONDITIONS

Application Deadline and Fee:

Class I	2 months prior to the event	\$150.00	Late Fee	\$150.00
Class II	2 months prior to the event	\$45.00	Late Fee	\$75.00

***NOTE:** Multiple Day events or Serial Day events will incur an additional charge (~~see above~~)

Event Permits:

Event permits are required in advance for all classes of special events. Permits **do not** include vending permits that may also be required. **Refer to the City of Wausau’s Comprehensive Fee Schedule for the current event application fees.**

Vending Permits:

If sales occur at the event, all event vendors must obtain permission to vend and complete a registration form for the event organizer to submit with their special events application. In addition, food vendors must pass inspection and obtain a valid permit, if needed, from the Marathon County Health Department prior to serving at any event.

City Facilities, Park Land and Open Spaces:

The City establishes rental rates for city facilities, park land and open spaces annually. Event organizers intending to use a rentable park facility or whose event precludes normal occupancy and use of a rentable park facility must reserve it separately. Submitting an event application does not reserve a rentable park facility and reserving a park facility does not give approval for the event. Contact the Parks Department at 715-261-1500 to reserve the park shelter or facility.

THE 400 BLOCK

Contact the Clerk's Office at 715-261-6620 to reserve the 400 Block prior to submitting this events application. Reserving The 400 Block does not give approval for the event and submitting an events application does not reserve the 400 Block.

DEFINITION

Public space for the use and enjoyment of the public at all times.

BLOCK USAGE

The Block may be reserved for free events and activities of interest to the general public, keeping with accepted standards of behavior and content. ~~Up to 25% of the space may be rented by private groups for private events.~~

A limited number of specialized snack and/or beverage vendors may be permitted as an enhancement to daily use by the public. A vending permit fee will be paid to the City in lieu of real property tax.

Activities on the block will be limited to the hours of 7:00 am. to 12:00 midnight. Overnight camping and grilling are prohibited on the block. Vehicles may not be driven or parked on the block. Beware of buried water lines on the block. They are shallow and could easily be damaged by tent stakes or other objects pounded into the ground.

BLOCK COORDINATION AND SCHEDULING

Reservations will be made through the Clerk's Office. It is recommended to reserve the block early as it is a first-come-first-serve basis. Reservations will not be taken for events occurring more than 24 months away.

NOTE: Reservation of the 400 Block does not automatically permit the event. Approval process requires a special events application be completed and filed with the City Clerk. All conditions and requirements of the Special Event Policy, Municipal, State and Federal rules, regulations and guidelines must be followed prior to obtaining a permit.

~~BLOCK RENTAL FEES~~

~~Fees for city services are listed on the next page of this policy. Rental rates for the 400 block are as follows: are listed in the City's Comprehensive Fee Schedule.~~

	\$100/greater than four hours per day

BLOCK RENTAL AND SERVICE FEES – Refer to Comprehensive Fee Schedule for applicability

Fees for 400 Block rentals and city services are listed in the City of Wausau's Comprehensive Fee Schedule. Event organizers should make every effort to secure resources and manpower from the private sector. For those instances where the City must provide service, the event shall be required to pay the anticipated cost to the City Clerk at least 3 business days prior to the event permit being issued. Events other than those directly sponsored by the City of Wausau shall fully reimburse the City for services rendered.

There are times when the city must provide unanticipated service following the event's conclusion. Fees for those instances, services will be billed to the event following the event's conclusion.

Street barricades should be easily removable to admit emergency/police vehicles as necessary with minimal time delay.”

The City Department of Public Works shall supply necessary signs and barricades at specific locations on the boulevard on the day of the event and pick them up the next workday following the event.

Parades:

Parade organizers must apply for a special event permit from the City Clerk. The application must include details as to the exact parade route, the location of staging and demobilization areas, the times of the parade start and finish, the size of the parade including number of floats and an itinerary or schedule of times for each detail i.e. staging at location and time, parade on route at time, demobilization at location and time, etc. The City Clerk will determine the appropriate class category.

The City shall place the barricades or traffic cones at the appropriate time and shall remove them from the street when they are no longer needed. Non-City sponsored events will be billed for the cost of services provided.

Cancellation: Cancellation of any event, for any reason, shall result in charges for actual services provided, forfeiture of permit fees and any other forfeiture related to facility or equipment rentals. If after the event, it is determined that no service was needed, and that the event was canceled, the event organizer does not need to complete the online form or pay the \$1.00 per ticket fee.

Approval Process:

Event applications are reviewed by staff consisting of representatives from (any or all) the following entities: Parks Department, Police Department, Fire Department, Inspections/Electrical Department, Engineering Office, Department of Public Works, City Clerk, Mayor, and Marathon County Health Department. These Departments will review your application for compliance of areas under their expertise. Once the event is reviewed, the city staff will make recommendations to the Public Health & Safety Committee who approves the event prior to issuance by the City Clerk. Please note the Public Health & Safety Committee only meets once per month. It is in your best interest to get your application filed well in advance of your event.

A listing of events shall be provided to the Council on a monthly basis; however, approval of the event is delegated by the Council to the Public Health & Safety Committee. Events denied shall receive a full refund of application fees less than 25% administrative processing fee.

Re: Community Outreach Update

Unhoused Data

The following graph shows the number of unduplicated¹ guests housed by each organization in the previous month.

Unhoused Data Summary

In April, data provided suggests there were approximately 98 unhoused individuals identified in Wausau through various partnering agencies. As indicated in the footnote, 98 is not the true number of unhoused. As of today, organizations do not cross-reference names when coming up with their unduplicated count. This means an unhoused individual may be part of more than one organization's count, thereby inflating the true number of unhoused. An example is provided in the footnote. This number also does not include those individuals who are considered "couch surfing".

¹ The numbers reflected do not eliminate duplicates across organizations. For example, a person who stays at The Good Shepherd Shelter and Marathon County jail in the same month will count as 1 person for each organization.

In the graph above, 62 percent of the unhoused sought or received shelter in the month of April, 38 percent of the unhoused were living outside, or in places not meant for human habitation.

The Women’s Community data includes crime victims who sought shelter because their home was unsafe. This number reflects both adult residents (12) and their children (12).

Bridge Street Mission includes individuals who have received shelter after release from jail/prison, drug rehab, or homelessness. The number reflected should include all individuals who are housed at Bridge Street Mission, because without this amazing program in our community, 23 (per this month’s census) individuals would likely be unhoused in our community.

The Marathon County Jail includes individuals who identify as “homeless” or “unhoused” at the time of booking.

Daily Census

We are working hard to collaborate with our partner organization to get a handle on shelter capacity in Wausau. It’s important to know if we’re meeting or exceeding capacity. Current shelter capacity for single adults lies solely on Good Shepherd shelter, formerly known as, the Wausau Warming Center, and their total bed capacity is 30, with the ability to expand to 40 when temperatures fall below 15 degrees or above 90 degrees.

Good Shepherd Daily Turn-aways

Daily Census Summary

Good Shepherd Shelter data to be presented by Gary Veltus.

Continued collaboration exists to ensure that the unhoused population have access to services.

We continue to work with our partner organization to learn how many people are turned away each night. In addition to capacity, individuals are turned away for a variety of other reasons. The “turn-away” statistics for the month of April are as follows: The Good Shepherd Shelter =

*It is important to note that The Good Shepherd Shelter does reserve beds for individuals that are working. When individuals do not show for their bed saves, it results in the shelter not reaching their 30-bed capacity for the night.

Employment data was not submitted for this report

Outreach Update

In April, 10 individuals met with Outreach Specialist and were given resources and assistance with housing applications, etc. Most of the outreach efforts for the month of April were preparing for the opening of WMC-Shelter.

In addition to assisting with housing, we have also provided additional aid like transportation to medical/psychiatric appointments, bus passes, medication management, collaboration with St. Vincent DePaul, Catholic Charities, NCCAP, Social Services, Probation/Parole, and CW Solutions (FSET). Assistance was also provided with obtaining identification, setting individuals up with additional services through the ADRC as well as Community Treatment through NCHC. Case/Care Management is a service provided through both resources.

Collaboration with landlords and other non-profit agencies is on-going. Office hours at agencies throughout the city have proven beneficial in reaching the unhoused population.

Challenges and Opportunities

While we celebrate every time an unhoused individual achieves stable housing, the work does not and cannot end there. Generally, the unhoused population is vulnerable. Without someone providing ongoing support, management, intervention, accountability, and aid, the chances of remaining housed wane dramatically. In other words, our work can and will be undone in short order without systems to sustain the work. Thankfully, there are systems in place, but there are also gaps. Where gaps in case management exist, we are filling that void. We recognize, however, that our time and resources are limited in this regard. As a result, we are working to improve our understanding and relationship with existing systems while also exploring solutions that not only bridge the gap to housing, but to the essential supports that will make housing permanent.

WMC Shelter

Successfully opened on May 1st, 2025. The total number who entered shelter on the first evening = 37. 11 female guests and 26 male guests. We have had no major issues thus far. No police calls for service. Full reporting on shelter data will begin in June.

Wausau Public Health & Safety

2025 1st Quarter data report for Good Shepherd Shelter, Wausau, WI.

- 154 unduplicated guests out of 2,774 night shelter stays for 1st quarter of 2025
- 117 male, 37 female
- 117 males = 8 between 18 & 24 yrs., 105 @ 25-64, 4 @ 65+
- 37 females = 33 between 25 & 64 yrs., and 4 @ 65+
- 31 guests who are no longer showing up during the 1st quarter who had been previously
- 44 chronically homeless persons that have had 4 or more episodes of homelessness in the last 3 years totaling at least 12 months. This should mean that we need at least 44 more units of intensive care housing in Wausau

Good Shepherd Shelter will revert back to its' Emergency Shelter facility operations beginning Nov. 1st 2025 to April 30 2026. We look forward to partnering with other shelters in the area to assure that any homeless person has equal chances of success.
