Subject:

Commercial Recreational Fire Permit

Date: June 19, 2020

I did a site inspection at the Whitewater Music hall on June 17th the owners would like to use a portable fire pit on the south end of the property. I discussed the regulations with them and placement location. They have plenty of space for a fire pit and garden hose on the side of the building for extinguishment. I would recommend approval of the permit. If you have any questions please contact me at 715-581-7634.
