Members Present: Lisa Rasmussen (C), Lou Larson (VC), Micheal Martens (arrived late at 6:03 PM), Carol Lukens, Dennis Seitz (arrived at 6:03 PM), Steve Gullihur

Members Excused: Ed Merchant

Others Present: John Chmiel, Karl Kemper

Noting the presence of a quorum Chairperson Rasmussen called the meeting to order at 6:00 P.M.

### **Approve minutes of previous meeting(s) (10/09/2024).**

Motion by Larson, seconded by Gullihur, to approve. Motion carried 4-0.

### **Update regarding 2025 CIP Projects Including: FBO/Terminal Rehabilitation, Runway 5/23 Rehabilitation, Apron Rehabilitation.**

*Micheal Martens was present for the rest of the meeting.*

*Dennis Seitz was present for the rest of the meeting.*

Seitz questioned the timing for the completion of the terminal rehabilitation. It was stated the project would be completed by the start of the AirVenture Cup.

Lukens questioned the environmental project associated with the rehabilitation. It was stated the project required documentation of environmental impact to receive federal funding.

Larson stated the rehabilitations are long overdue.

Rasmussen suggested the airport hold an open house of the community to demonstrate the rehabilitations and the benefit to the community.

### **Update regarding JD Vance Airport visit.**

Discussion held. No action taken.

### **Update regarding Armed Forces Day event.**

Discussion held. No action taken.

### **Update regarding Wings Over Wausau and Cleared For Take-Off 5K 2025.**

Rasmussen stated it was important for events to see the airport as more than an event ground and as a place to host collaborative events with the aviation community.

Discussion held. No action taken.

### **Discussion and possible action regarding installation of lighted airport/FBO message display sign on Lakeview and Pied Piper.**

Rasmussen stated that compromises can be made to install the sign in a way that is agreed upon by the neighborhood in accordance with code or a variance of the Plan Commission.

Larson questioned the structure of the sign.

Martens stated this might not be a good fit for room tax grants because those grants go towards marketing outside of the region to draw people into the city. It was stated funding may be allocated if the sign is owned by the city and can be justified as drawing people that fly into the airport from outside the city. Martens further stated a capital improvement project might be appropriate as well.

Rasmussen stated there may be a surplus in room tax funds to apply to this project.

Rasmussen requested that staff move forward with exploring the options for building the display sign.

**Review Airport Manager Report - Chmiel.**

*Report placed on file.*

**Review Airport Budget Status - Groat.**

*Without objection, this item was held for the next meeting.*

**Adjournment**

Rasmussen stated this event was helpful to connect residents with the airport hanger tenets to alleviate a perceived elitest stigma.

### **Discussion and possible action hangar construction for 120'X120' hangar on Southeast corner of airport apron.**

Rasmussen stated there may need to be a variance in size in the approval so the final dimensions can be approved by the Common Council.

Motion by Larson, seconded by Seitz, to approve with dimensions not to exceed 135' x 135'. Motion carried 4-0.

### **Discussion and possible action terminal area project and temporary sponsor only funding.**

Rasmussen stated a concern with sponsor only funding upfront without a guarantee from the Federal Aviation Administration that the funding will come through and that funding will not be left on the local taxpayer dime. It was further questioned if congressionally appropriated funds were being withheld by the federal administration for this project and stated concerns with that impacting the funding of these projects. It was stated that it was not anticipated that this project would be impacted by the withholding of appropriated funds.

Larson stated similar concerns on sponsor only funding upfront without knowing if that FAA funding would come through with the withheld funds.

Seitz stated that the airport manager and project managers believed the funding would come through as the project was already eligible and justified to be funded and that it was in progress.

Rasmussen requested that a written record of the fact that the Wisconsin Bureau of Aviation believes the funding will be provided upon temporary sponsor only funding be provided to the airport manager. It was stated that this would show due diligence but still move the project forward.

Motion by Seitz, seconded by Gullihur, to move this forward to the Finance Committee with the recommendation to fund so the work can continue. Motion carried 4-0.

AIRPORT GROUND LEASE

THIS AGREEMENT, made and entered in this 11<sup>th</sup> day of February, 2004, by and between the City of Wausau, a Wisconsin municipal corporation, hereinafter referred to as "CITY," and Wynn O. Jones, 754 Alderson Street, Schofield, Wisconsin 54476, hereinafter referred to as "TENANT";

WITNESSETH:

WHEREAS, CITY owns and operates an airport within the corporate limits of the City of Wausau known as the Wausau Downtown Airport, hereinafter referred to as "Airport"; and

WHEREAS, TENANT wishes to lease a parcel of land on Airport described in "Exhibit A," hereinafter referred to as "parcel," and TENANT wishes to construct an airplane hangar for the storage of aircraft and their appurtenances and for TENANT's use on that parcel.

NOW, THEREFORE, for and in consideration of the rents, covenants, and agreements herein contained, CITY and TENANT agree as follows:

1. Premises. CITY hereby leases to TENANT the parcel described in "Exhibit A," attached hereto.

TENANT shall construct within one (1) year of the date first above written, improvements in accordance with the plans and specs on said parcel described in "Exhibit A," attached hereto. All improvements, now and any in the future, must meet all applicable state and local building codes, and shall be approved by CITY. TENANT shall use the improvements and premises solely for aircraft storage and as a maintenance hangar including related office and lounge facilities, for storage of personal-use vehicles, and other uses consistent with and in furtherance of air transportation. TENANT shall comply with "storage" regulations which may be adopted, from time-to-time, by CITY.

Within sixty (60) days after the completion of the building, OWNER shall complete preparation of appropriate excavation and installation of base course in preparation for asphalt pavement extending from the building to the taxiway and Eighty feet (80') wide. OWNER shall pay for 100 percent of the preparation and base course, and CITY shall pay for the asphalt and the cost of laying the asphalt down. All site preparations for the road shall be done pursuant to CITY specifications and shall be approved by CITY prior to CITY paving the area.

2. Lease Fees. TENANT shall pay to CITY for the lease of the parcel twelve cents (12¢) per square foot (48' x 60') per year, which payment shall be paid to the City Treasurer on an annual basis no later than the 5th day of January in the year for which the payment is due. No lease payment shall be due for 2002, and the payment for 2003 shall reflect the months from the date of occupancy to the end of the year. (Taxes shall reflect the improvements as of the legal date of assessment value [currently January 1]). This lease amount shall be adjusted annually to reflect the change in the Consumer Price Index from September 30 the previous year.

3. Term of Agreement. The initial term of this Agreement shall be for a period of twenty (20) years commencing on the date above first written. This lease shall be automatically renewed, without notice from either party, on identical terms for a like successive term, unless either party shall, at least forty-five (45) days before the expiration of the lease, notify the other in writing of the termination of the lease.

4. Utilities and Taxes. TENANT agrees to pay all utilities, taxes, and phone bills, including but not limited to bills for electricity, gas, sewer, and water. TENANT agrees to install or cause to be installed on the leased premises meters for all utilities to be used on the leased premises and to pay any and all costs and expenses incurred as a result of the installation and use of such utilities.

5. Improvements. Except as provided in paragraph 1, TENANT shall not make any structural alterations, additions or improvements to the building or leased premises without the consent of CITY, which consent will not unreasonably be withheld, in those cases where TENANT provides it with plans and specifications for the same evidencing alterations, additions, and improvements of substantially the same appearance, standards, and quality as the construction specified in paragraph 1 and there is sufficient, in the opinion of CITY, land for the improvements. TENANT shall have the right to make, without CITY's consent, such nonstructural alterations, additions, and improvements to the building and leased premises that TENANT desires in order to conduct its operations on the leased premises.

6. Compliance with Laws. TENANT shall at all times comply with the airport rules and regulations, federal, state, and municipal laws, ordinances, codes, and other regulatory measures, now in existence or as may be hereafter modified and amended, applicable to the specific type of operation contemplated by it. TENANT shall procure and maintain during the term of this agreement all licenses, permits, and other similar authorizations required for the conduct of its aircraft operations.

7. Liens. TENANT agrees to promptly pay all sums legally due and payable on account of any labor performed on or materials furnished for the leased premises. TENANT shall not permit any liens to be placed against the leased premises on account of labor performed or material furnished; and in the event such a lien is placed against the leased premises, TENANT agrees to save CITY harmless from any and all such asserted claims and liens and to remove or cause to be removed any and all such asserted claims or liens as soon as reasonably possible.

8. Development. CITY reserves the right to further develop or improve the landing and public areas, including ramp space of the airport, as it sees fit regardless of the desires or views of TENANT and without interference or hindrance; provided, however, that no such development or improvement shall for a period in excess of sixty (60) days limit or violate TENANT's rights under this lease agreement or otherwise violate any federal, state, or local law, ordinance, rule, or regulation.

9. Subordination. This lease agreement shall be subordinate to the provisions of any existing or future agreement between CITY and the United States Government relative to the

operation or maintenance of the airport, the execution of which has been, or may be, required as a condition precedent to the expenditure of federal funds for the development of the airport. Should the effect of any such agreement with the United States Government be to take the leased premises or building or any portion of either or substantially destroy the commercial value of either, then, within thirty (30) days after the occurrence of such event, CITY shall terminate this lease agreement and purchase the building from TENANT, which purchase price shall be the fair market value of the building as of the day of the "taking."

10. Air and Noise. CITY hereby reserves for the use and benefit of the public, the right of aircraft to fly in the airspace overlying the leased premises, together with the right of said aircraft to cause such noise as may be inherent in the operation of aircraft landing at, taking off from, or operating on or in the vicinity of the airport, and the right to pursue all operations of the airport; provided, however, that no such rights or the exercise thereof shall limit or violate TENANT's rights under this lease agreement.

11. Restrictions on Obstructions. CITY reserves the right to take any action it considers necessary to protect the aerial approaches of the airport against obstruction, together with the right to prevent TENANT from erecting, or permitting to be erected, any building or other structure on the airport, which, in the opinion of CITY, would limit the usefulness of the airport, or constitute a hazard to aircraft.

12. Assignment. Subject to paragraph 25, TENANT shall not assign its rights and obligations under this lease agreement nor assign any part of the leased premises to a third party.

13. Automobile Parking Lot. TENANT and TENANT's guests may use the parking lot area along with other members of the public and individuals utilizing the Airport.

14. Signs. TENANT agrees that no signs, lighting or advertising matter shall be erected without the written consent of CITY.

15. Insurance. TENANT shall maintain on the parcel and its improvements fire and extended coverage insurance in an amount at least equal to the assessed valuation of the improvements as well as liability coverage with a minimum combined single limit in an amount not less than \$1 million dollars of liability per occurrence for Bodily Injury and Property Damage. The liability coverage amount shall be raised by TENANT when and as necessary, during the term of the lease, to correspond to requirements of CITY.

16. Hold Harmless. TENANT agrees to indemnify and hold harmless CITY, its employees, agents, officers and officials, whether hired, appointed or elected, free and harmless from and against any and all judgments, damages, losses, costs, claims, expenses, suits, demands, deaths, actions and/or causes of action to which they may be exposed by reason of injury or injuries to anyone or of the death or deaths of anyone, or by reason of any personal injury and/or real property damage, or by reason of any other liability imposed by law or by anything or by anyone else upon the above-referenced entities and/or individuals as the result of and/or due to TENANT's operations on the demised premises or on any premises owned by CITY and adjacent thereto and/or as a result of

and/or due to the presence of TENANT on the demised premises or on premises owned by CITY and adjacent thereto, and/or due to the existence of this Agreement; specifically included within this indemnification and hold harmless section are attorneys' fees and other costs of defense which may be sustained by and/or occasioned to the above-referenced entities and/or individuals.

17. Release. CITY shall have the right to, upon 24 hours' notice, inspect the premises during normal business hours in the company of TENANT or an agent or employee of TENANT for the purpose of examining the same and to ascertain if they are in good and safe repair and in compliance with the requirements contained herein, including compliance with all federal, state and local codes. In the event of an emergency, CITY shall have the right to enter the premises without advance notice to TENANT.

21. Acceptance of Premises. TENANT, by the execution of this Agreement, represents that it has inspected Airport and the leased parcel, and that it accepts the condition of the same as they now exist, and fully assumes all risks incident to the use thereof.

22. Outside Storage and Removal of Trash. TENANT will not store in a location susceptible to view by the public, any equipment, materials, supplies, or damaged or partially

In the event that TENANT fails within thirty (30) days of CITY's notice to cure such failure, CITY shall have the option either to cure such failure and to assess the costs thereof against TENANT, or to terminate this Agreement upon five (5) days' notice to TENANT. TENANT hereby agrees to pay any and all such assessments, including all costs, disbursements and reasonable attorneys' fees incurred by CITY in curing such failure within thirty (30) days after CITY's demand therefor.

In the event CITY elects not to exercise its option of first right of refusal to purchase the buildings and improvements, the party purchasing said buildings and improvements will agree to lease the premises from the CITY, upon terms acceptable to CITY.

27. Cancellation by CITY. CITY may cancel this Agreement by giving TENANT sixty (60) days' advance, written notice upon or after any one of the following events of default:

C. The default by TENANT in the performance of any covenant or agreement required herein to be performed by TENANT, and TENANT's failure to commence and diligently continue to correct such default after written notice of the default given by CITY, as above provided.

Failure of CITY to declare this Agreement terminated upon the default of TENANT for any of the reasons set out above shall not operate to bar or destroy the right of CITY to cancel this Agreement by reason of any subsequent violation of the terms of this Agreement. Further, the acceptance of rental by CITY for any period after a default of any of the terms, covenants or conditions by TENANT shall not be deemed a waiver of any right on the part of CITY to cancel this agreement.

Upon cancellation by CITY, CITY shall have the right to enter upon premises and building and, at its option, commence an action to take title.

28. Force Majeure. If, by reason of force majeure, either party is unable, in whole or in part, to carry out the agreements of such party on its part herein contained, such party shall not be deemed in default during the continuance of such inability. 221 of conditions that would prohibit the Buyer's intended use of the Property described at lines 181-183. Upon delivery of  
222 Buyer's notice, this Offer shall be null and void. Once the deadline for delivery has passed, if Seller was responsible to  
223 provide the map and failed to timely deliver the map to Buyer, Buyer may terminate this Offer if Buyer delivers a written  
224 notice of termination to Seller prior to Buyer's Actual Receipt of said map from Seller.

238 rental agreements, notices of termination and non-renewal, and assessment notices.

239 All documents Seller delivers to Buyer shall be true, accurate, current and complete. Buyer shall keep all such documents  
240 confidential and disclose them to third parties only to the extent necessary to implement other provisions of this Offer. Buyer  
241 shall return all documents (originals and any reproductions) to Seller if this Offer is terminated.

242 ■ **CONTINGENCY SATISFACTION:** This contingency shall be deemed satisfied unless Buyer, within \_\_\_\_\_ days ("5" if left  
243 blank) after the deadline for delivery of the documents, delivers to Seller a written notice indicating this contingency has not  
244 been satisfied. Such notice shall identify which document(s) have not been timely delivered or do not meet the standard set  
245 forth for the document(s). Upon delivery of such notice, this Offer shall be null and void.

246  **ENVIRONMENTAL EVALUATION CONTINGENCY:** This Offer is contingent upon a qualified independent  
247 environmental consultant of Buyer's choice conducting an Environmental Site Assessment of the Property (see lines 274-  
248 291), at (Buyer's) (Seller's) expense STRIKE ONE ("Buyer's" if neither is stricken), which discloses no Defects.

249 **NOTE: "Defect" as defined on lines 523-525 means a condition that would have a significant adverse effect on the**  
250 **value of the Property; that would significantly impair the health or safety of future occupants of the Property; or**  
251 **that if not repaired, removed or replaced would significantly shorten or adversely affect the expected normal life**

253 For the purpose of this contingency, a Defect is defined to also include a material violation of environmental laws, a material  
254 contingent liability affecting the Property arising under any environmental laws, the presence of an underground storage  
255 tank(s) or material levels of hazardous substances either on the Property or presenting a significant risk of contaminating  
256 the Property due to future migration from other properties. Defects do not include conditions the nature and extent of which  
257 Buyer had actual knowledge or written notice before signing the Offer.

258 ■ **CONTINGENCY SATISFACTION:** This contingency shall be deemed satisfied unless Buyer, within \_\_\_\_\_ days ("30" if  
259 left blank) after acceptance, delivers to Seller a copy of the Environmental Site Assessment report and a written notice  
260 listing the Defect(s) identified in the Environmental Site Assessment report to which Buyer objects (Notice of Defects).

261 **CAUTION: A proposed amendment is not a Notice of Defects and will not satisfy this notice requirement.**

262 ■ **RIGHT TO CURE:** Seller (shall) (shall not) STRIKE ONE ("shall" if neither is stricken) have a right to cure the Defects.  
263 If Seller has the right to cure, Seller may satisfy this contingency by:

265 Defects stating Seller's election to cure Defects;

- 271 (2) Seller has a right to cure but:
  - 272 (a) Seller delivers written notice that Seller will not cure; or
  - 273 (b) Seller does not timely deliver the written notice of election to cure.

274 ■ **ENVIRONMENTAL SITE ASSESSMENT:** An "Environmental Site Assessment" (also known as a "Phase I Site Assessment")  
275 may include, but is not limited to: (1) an inspection of the Property; (2) a review of the ownership and use history of the  
276 Property, including a search of title records showing private ownership of the Property for a period of 80 years prior to the  
277 visual inspection; (3) a review of historic and recent aerial photographs of the Property, if available; (4) a review of  
278 environmental licenses, permits or orders issued with respect to the Property (5) an evaluation of results of any

280 is listed in any of the written compilations of sites or facilities considered to pose a threat to human health or the environment  
281 including the National Priorities List, the Department of Nature Resources' (DNR) Registry of Waste Disposal Sites, the  
282 DNR's Contaminated Lands Environmental Action Network, and the DNR's Remediation and Redevelopment (RR) Sites  
283 Map including the Geographical Information System (GIS) Registry and related resources. Any Environmental Site  
284 Assessment performed under this Offer shall comply with generally recognized industry standards (e.g. current American  
285 Society of Testing and Materials "Standard Practice for Environmental Site Assessments"), and state and federal guidelines,  
286 as applicable.

287 **CAUTION: Unless otherwise agreed an Environmental Site Assessment does not include subsurface testing of the**  
288 **soil or groundwater or other testing of the Property for environmental pollution. If further investigation is required,**  
289 **insert provisions for a Phase II Site Assessment (collection and analysis of samples), Phase III Environmental Site**  
290 **Assessment (evaluation of remediation alternatives) or other site evaluation at lines 625-642 or attach as an**  
291 **addendum per line 668.**

292 **INSPECTIONS AND TESTING** Buyer may only conduct inspections or tests if specific contingencies are included as a  
293 part of this Offer. An "inspection" is defined as an observation of the Property, which does not include an appraisal or testing  
294 of the Property, other than testing for leaking carbon monoxide, or testing for leaking LP gas or natural gas used as a fuel  
295 source, which are hereby authorized. A "test" is defined as the taking of samples of materials such as soils, water, air or

296 building materials from the Property for laboratory or other analysis of these materials. Seller agrees to allow Buyer's  
 297 inspectors, testers and appraisers reasonable access to the Property upon advance notice, if necessary, to satisfy the  
 298 contingencies in this Offer. Buyer or licensees or both may be present at all inspections and testing. Except as otherwise  
 299 provided, Seller's authorization for inspections does not authorize Buyer to conduct testing of the Property.

300 **NOTE: Any contingency authorizing testing should specify the areas of the Property to be tested, the purpose of**  
 301 **the test (e.g., to determine if environmental contamination is present), any limitations on Buyer's testing and any**  
 302 **other material terms of the contingency.**

303 Buyer agrees to promptly restore the Property to its original condition after Buyer's inspections and testing are completed  
 304 unless otherwise agreed to with Seller. Buyer agrees to promptly provide copies of all inspection and testing reports to  
 305 Seller. Seller acknowledges that certain inspections or tests may detect environmental pollution which may be required to  
 306 be reported to the Wisconsin Department of Natural Resources.

307  **INSPECTION CONTINGENCY:** This contingency only authorizes inspections, not testing (see lines 292-306).

308 (1) This Offer is contingent upon a qualified independent inspector(s) conducting an inspection(s) of the Property which  
 309 discloses no Defects.

310 (2) This Offer is further contingent upon a qualified independent inspector or independent qualified third party performing an

314 (3) Buyer may have follow-up inspections recommended in a written report resulting from an authorized inspection,  
 315 provided they occur prior to the Deadline specified at line 320. Each inspection shall be performed by a qualified  
 316 independent inspector or independent qualified third party.

317 Buyer shall order the inspection(s) and be responsible for all costs of inspection(s).

318 **CAUTION: Buyer should provide sufficient time for the primary inspection and/or any specialized inspection(s), as**  
 319 **well as any follow-up inspection(s).**

320 This contingency shall be deemed satisfied unless Buyer, within \_\_\_\_\_ days ("20" if left blank) after acceptance, delivers  
 321 to Seller a copy of the inspection report(s) dated after the date on line 1 of this Offer and a written notice listing the Defect(s)  
 322 identified in the inspection report(s) to which Buyer objects (Notice of Defects).

323 **CAUTION: A proposed amendment is not a Notice of Defects and will not satisfy this notice requirement.**

324 For the purpose of this contingency, Defects do not include conditions the nature and extent of which Buyer had actual  
 325 knowledge or written notice before signing the Offer.

326 **NOTE: "Defect" as defined on lines 523-525 means a condition that would have a significant adverse effect on the**  
 327 **value of the Property; that would significantly impair the health or safety of future occupants of the Property; or**  
 328 **that if not repaired, removed or replaced would significantly shorten or adversely affect the expected normal life**  
 329 **of the premises.**

330 **RIGHT TO CURE:** Seller (shall)(shall not) ~~STRIKE ONE~~ ("shall" if neither is stricken) have the right to cure the Defects.  
 331 If Seller has the right to cure, Seller may satisfy this contingency by:

332 (1) delivering written notice to Buyer within 10 days of Buyer's delivery of the Notice of Defects stating Seller's election to  
 333 cure Defects;

334 (2) curing the Defects in a good and workmanlike manner; and

335 (3) delivering to Buyer a written report detailing the work done no later than three days prior to closing.

336 This Offer shall be null and void if Buyer makes timely delivery of the Notice of Defects and written inspection report(s) and:

337 (1) Seller does not have the right to cure; or

338 (2) Seller has the right to cure but:

339 (a) Seller delivers written notice that Seller will not cure; or

340 (b) Seller does not timely deliver the written notice of election to cure.

341 **IF LINE 342 IS NOT MARKED OR IS MARKED N/A LINES 392-403 APPLY.**

342  **FINANCING COMMITMENT CONTINGENCY:** This Offer is contingent upon Buyer being able to obtain a written  
 343 **See Addendum A** \_\_\_\_\_ [loan type or specific lender, if any] first mortgage loan commitment as described

344 below, within \_\_\_\_\_ days after acceptance of this Offer. The financing selected shall be in an amount of not less than  
 345 \$ \_\_\_\_\_ for a term of not less than \_\_\_\_\_ years, amortized over not less than \_\_\_\_\_ years. Initial

346 monthly payments of principal and interest shall not exceed \$ \_\_\_\_\_. Buyer acknowledges that lender's  
 347 required monthly payments may also include 1/12th of the estimated net annual real estate taxes, hazard insurance

348 premiums, and private mortgage insurance premiums. The mortgage shall not include a prepayment premium. Buyer agrees  
 349 to pay discount points in an amount not to exceed \_\_\_\_\_ % ("0" if left blank) of the loan. If Buyer is using multiple loan

350 sources or obtaining a construction loan or land contract financing, describe at lines 625-642 or in an addendum attached  
 351 per line 668. Buyer agrees to pay all customary loan and closing costs, wire fees, and loan origination fees, to promptly

352 apply for a mortgage loan, and to provide evidence of application promptly upon request of Seller. Seller agrees to allow  
 353 lender's appraiser access to the Property.

354 **LOAN AMOUNT ADJUSTMENT:** If the purchase price under this Offer is modified, any financed amount, unless otherwise  
 355 provided, shall be adjusted to the same percentage of the purchase price as in this contingency and the monthly payments

356 shall be adjusted as necessary to maintain the term and amortization stated above.

357 **CHECK AND COMPLETE APPLICABLE FINANCING PROVISION AT LINE 358 OR 359.**

- 358  **FIXED RATE FINANCING:** The annual rate of interest shall not exceed \_\_\_\_\_%.
- 359  **ADJUSTABLE RATE FINANCING:** The initial interest rate shall not exceed \_\_\_\_\_%. The initial interest rate
- 360 shall be fixed for \_\_\_\_\_ months, at which time the interest rate may be increased not more than \_\_\_\_\_% ("2" if
- 361 left blank) at the first adjustment and by not more than \_\_\_\_\_% ("1" if left blank) at each subsequent adjustment.
- 362 The maximum interest rate during the mortgage term shall not exceed the initial interest rate plus \_\_\_\_\_% ("6" if
- 363 left blank). Monthly payments of principal and interest may be adjusted to reflect interest changes.

364 **NOTE: If purchase is conditioned on Buyer obtaining financing for operations or development consider adding a**

365 **contingency for that purpose.**

366 ■ **SATISFACTION OF FINANCING COMMITMENT CONTINGENCY:** If Buyer qualifies for the loan described in this Offer

367 or another loan acceptable to Buyer, Buyer agrees to deliver to Seller a copy of a written loan commitment.

368 This contingency shall be satisfied if, after Buyer's review, Buyer delivers to Seller a copy of a written loan commitment

369 (even if subject to conditions) that is:

- 370 (1) signed by Buyer; or
- 371 (2) accompanied by Buyer's written direction for delivery.
- 372 Delivery of a loan commitment by Buyer's lender or delivery accompanied by a notice of unacceptability shall not satisfy
- 373 this contingency.

374 **CAUTION: The delivered loan commitment may contain conditions Buyer must yet satisfy to obligate the lender to**

375 **provide the loan. Buyer understands delivery of a loan commitment removes the Financing Commitment**

376 **Contingency from the Offer and shifts the risk to Buyer if the loan is not funded.**

377 ■ **SELLER TERMINATION RIGHTS:** If Buyer does not deliver a loan commitment on or before the Deadline on line 344.

378 Seller may terminate this Offer if Seller delivers a written notice of termination to Buyer prior to Seller's Actual Receipt of

379 written loan commitment from Buyer.

380 ■ **FINANCING COMMITMENT UNAVAILABILITY:** If a financing commitment is not available on the terms stated in this

381 Offer (and Buyer has not already delivered an acceptable loan commitment for other financing to Seller), Buyer shall

382 promptly deliver written notice to Seller of same including copies of lender(s)' rejection letter(s) or other evidence of

383 unavailability.

384  **SELLER FINANCING:** Seller shall have 10 days after the earlier of:

385 (1) Buyer delivery of written notice of evidence of unavailability as noted in lines 380-383; or

386 (2) the Deadline for delivery of the loan commitment set on line 344

387 to deliver to Buyer written notice of Seller's decision to finance this transaction with a note and mortgage under the same

388 terms set forth in this Offer, and this Offer shall remain in full force and effect, with the time for closing extended accordingly.

389 If Seller's notice is not timely given, the option for Seller to provide financing shall be considered waived. Buyer agrees to

390 cooperate with and authorizes Seller to obtain any credit information reasonably appropriate to determine Buyer's credit

391 worthiness for Seller financing.

392 **IF THIS OFFER IS NOT CONTINGENT ON FINANCING COMMITMENT** Within \_\_\_\_\_ days ("7" if left blank) after

393 acceptance, Buyer shall deliver to Seller either:

- 394 (1) reasonable written verification from a financial institution or third party in control of Buyer's funds that Buyer has, at
- 395 the time of verification, sufficient funds to close; or
- 396 (2) **See Addendum A - Seller Financing.**

397 \_\_\_\_\_ [Specify documentation Buyer agrees to deliver to Seller].

398 If such written verification or documentation is not delivered, Seller has the right to terminate this Offer by delivering written

399 notice to Buyer prior to Seller's Actual Receipt of a copy of Buyer's written verification. Buyer may or may not obtain

400 mortgage financing but does not need the protection of a financing commitment contingency. Seller agrees to allow Buyer's

401 appraiser access to the Property for purposes of an appraisal. Buyer understands and agrees that this Offer is not subject

402 to the appraisal meeting any particular value, unless this Offer is subject to an appraisal contingency, nor does the right of

403 access for an appraisal constitute a financing commitment contingency.

404  **APPRAISAL CONTINGENCY:** This Offer is contingent upon Buyer or Buyer's lender having the Property appraised

405 at Buyer's expense by a Wisconsin licensed or certified independent appraiser who issues an appraisal report dated

406 subsequent to the date stated on line 1 of this Offer, indicating an appraised value for the Property equal to or greater than

407 the agreed upon purchase price.

408 This contingency shall be deemed satisfied unless Buyer, within \_\_\_\_\_ days after acceptance, delivers to Seller a copy

409 of the appraisal report indicating an appraised value less than the agreed upon purchase price, and a written notice objecting

410 to the appraised value.

411 ■ **RIGHT TO CURE:** Seller (shall)(shall not) **STRIKE ONE** ("shall" if neither is stricken) have the right to cure.

412 If Seller has the right to cure, Seller may satisfy this contingency by delivering written notice to Buyer adjusting the purchase

413 price to the value shown on the appraisal report within \_\_\_\_\_ days ("5" if left blank) after Buyer's delivery of the appraisal

414 report and the notice objecting to the appraised value. Seller and Buyer agree to promptly execute an amendment initiated

415 by either Party after delivery of Seller's notice, solely to reflect the adjusted purchase price.

416 This Offer shall be null and void if Buyer makes timely delivery of the notice objecting to appraised value and the written  
417 appraisal report and:

- 418 (1) Seller does not have the right to cure; or
- 419 (2) Seller has the right to cure but:
  - 420 (a) Seller delivers written notice that Seller will not adjust the purchase price; or
  - 421 (b) Seller does not timely deliver the written notice adjusting the purchase price to the value shown on the appraisal  
422 report.

423  **SECONDARY OFFER:** This Offer is secondary to a prior accepted offer. This Offer shall become primary upon  
424 delivery of written notice to Buyer that this Offer is primary. Unless otherwise provided, Seller is not obligated to give Buyer  
425 notice prior to any Deadline, nor is any particular secondary buyer given the right to be made primary ahead of other  
426 secondary buyers. Buyer may declare this Offer null and void by delivering written notice of withdrawal to Seller prior to  
427 delivery of Seller's notice that this Offer is primary. Buyer may not deliver notice of withdrawal earlier than \_\_\_\_\_ days ("7"  
428 if left blank) after acceptance of this Offer. All other Offer Deadlines that run from acceptance shall run from the time this  
429 Offer becomes primary.

447 **assessor regarding possible tax changes.**

448  ~~Buyer and Seller agree to re-prorate the real estate taxes, through the day prior to closing based upon the taxes on~~

 521 counting 24 hours per calendar day. Deadlines expressed as a specific day of the calendar year or as the day of a specific  
 522 event, such as closing, expire at Midnight of that day. "Midnight" is defined as 11:59 p.m. Central Time.

523 ■ **DEFECT:** "Defect" means a condition that would have a significant adverse effect on the value of the Property; that would

 532 acreage or building square footage figures, provided to Buyer by Seller or by a broker, may be approximate because of  
 533 rounding, formulas used or other reasons, unless verified by survey or other means.

534 **CAUTION: Buyer should verify total square footage formula, total square footage/acreage figures, and land,**  
 535 **building or room dimensions, if material.**

536 **DISTRIBUTION OF INFORMATION** Buyer and Seller authorize the agents of Buyer and Seller to: (i) distribute copies of

539 data to multiple listing service sold databases; (iii) provide active listing, pending sale, closed sale and financing concession  
540 information and data, and related information regarding seller contributions, incentives or assistance, and third party gifts,  
541 to appraisers researching comparable sales, market conditions and listings, upon inquiry; and (iv) distribute copies of this  
542 Offer to the seller, or seller's agent, of another property that Seller intends on purchasing.

543 **MAINTENANCE** Seller shall maintain the Property and all personal property included in the purchase price until the earlier  
544 of closing or Buyer's occupancy, in materially the same condition it was in as of the date on line 1 of this Offer, except for  
545 ordinary wear and tear and changes agreed upon by Parties.

546 **PROPERTY DAMAGE BETWEEN ACCEPTANCE AND CLOSING** If, prior to closing, the Property is damaged in an  
547 amount not more than five percent of the purchase price, other than normal wear and tear, Seller shall promptly notify Buyer  
548 in writing, and will be obligated to restore the Property to materially the same condition it was in as of the date on line 1 of  
549 this Offer. Seller shall provide Buyer with copies of all required permits and lien waivers for the lienable repairs no later than  
550 closing. If the amount of damage exceeds five percent of the purchase price, Seller shall promptly notify Buyer in writing of  
551 the damage and this Offer may be terminated at option of Buyer. Should Buyer elect to carry out this Offer despite such  
552 damage, Buyer shall be entitled to the insurance proceeds, if any, relating to the damage to the Property, plus a credit  
553 towards the purchase price equal to the amount of Seller's deductible on such policy, if any. However, if this sale is financed  
554 by a land contract or a mortgage to Seller, any insurance proceeds shall be held in trust for the sole purpose of restoring  
555 the Property.

556 **BUYER'S PRE-CLOSING WALK-THROUGH** Within three days prior to closing, at a reasonable time pre-approved by  
557 Seller or Seller's agent, Buyer shall have the right to walk through the Property to determine that there has been no

560 **OCCUPANCY** Occupancy of the entire Property shall be given to Buyer at time of closing unless otherwise provided in  
561 this Offer at lines 625-642 or in an addendum attached per line 668. At time of Buyer's occupancy, Property shall be in  
562 broom swept condition and free of all debris, refuse, and personal property except for personal property belonging to current  
563 tenants, or sold to Buyer or left with Buyer's consent. Occupancy shall be given subject to tenant's rights, if any.

564 **DEFAULT** Seller and Buyer each have the legal duty to use good faith and due diligence in completing the terms and  
565 conditions of this Offer. A material failure to perform any obligation under this Offer is a default that may subject the defaulting  
566 party to liability for damages or other legal remedies.

567 If Buyer defaults, Seller may:

- 568 (1) sue for specific performance and request the earnest money as partial payment of the purchase price; or  
569 (2) terminate the Offer and have the option to: (a) request the earnest money as liquidated damages; or (b) sue for actual  
570 damages.

571 If Seller defaults, Buyer may:

- 572 (1) sue for specific performance; or

574 In addition, the Parties may seek any other remedies available in law or equity. The Parties understand that the availability  
575 of any judicial remedy will depend upon the circumstances of the situation and the discretion of the courts. If either Party  
576 defaults, the Parties may renegotiate the Offer or seek nonjudicial dispute resolution instead of the remedies outlined above.  
577 By agreeing to binding arbitration, the Parties may lose the right to litigate in a court of law those disputes covered by the  
578 arbitration agreement.

586 and inures to the benefit of the Parties to this Offer and their successors in interest.

590 **FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT (FIRPTA)** Section 1445 of the Internal Revenue Code (IRC)  
591 provides that a transferee (Buyer) of a United States real property interest must pay or withhold as a tax up to 15% of the  
592 total "Amount Realized" in the sale if the transferor (Seller) is a "Foreign Person" and no exception from FIRPTA withholding  
593 applies. A "Foreign Person" is a nonresident alien individual, foreign corporation, foreign partnership, foreign trust, or foreign

594 estate. The "Amount Realized" is the sum of the cash paid, the fair market value of other property transferred, and the  
595 amount of any liability assumed by Buyer.

596 **CAUTION: Under this law if Seller is a Foreign Person, and Buyer does not pay or withhold the tax amount, Buyer**  
597 **may be held directly liable by the U.S. Internal Revenue Service for the unpaid tax and a tax lien may be placed**  
598 **upon the Property.**

599 Seller hereby represents that Seller is a non-Foreign Person, unless (1) Seller represents Seller is a Foreign Person in a  
600 condition report incorporated in this Offer per lines 93-95, or (2) no later than 10 days after acceptance, Seller delivers  
601 notice to Buyer that Seller is a Foreign Person, in which cases the provisions on lines 607-609 apply.

602 **IF SELLER IS A NON-FOREIGN PERSON.** Seller shall, no later than closing, execute and deliver to Buyer, or a qualified  
603 substitute (attorney or title company as stated in IRC § 1445), a sworn certification under penalties of perjury of Seller's  
604 non-foreign status in accordance with IRC § 1445. If Seller fails to timely deliver certification of Seller's non-foreign status,  
605 Buyer shall: (1) withhold the amount required to be withheld pursuant to IRC § 1445; or, (2) declare Seller in default of this  
606 Offer and proceed under lines 571-578.

607 **IF SELLER IS A FOREIGN PERSON.** If Seller has represented that Seller is a Foreign Person, Buyer shall withhold the  
608 amount required to be withheld pursuant to IRC § 1445 at closing unless the Parties have amended this Offer regarding  
609 amounts to be withheld, any withholding exemption to be applied, or other resolution of this provision.

610 **COMPLIANCE WITH FIRPTA.** Buyer and Seller shall complete, execute, and deliver, on or before closing, any instrument,  
611 affidavit, or statement needed to comply with FIRPTA, including withholding forms. If withholding is required under IRC §  
612 1445, and the net proceeds due Seller are not sufficient to satisfy the withholding required in this transaction, Seller shall  
613 deliver to Buyer, at closing, the additional funds necessary to satisfy the applicable withholding requirement. Seller also  
614 shall pay to Buyer an amount not to exceed \$1,000 for actual costs associated with the filing and administration of forms,  
615 affidavits, and certificates necessary for FIRPTA withholding and any withholding agent fees.

616 **Any representations made by Seller with respect to FIRPTA shall survive the closing and delivery of the deed.**  
617 Firms, Agents, and Title Companies are not responsible for determining FIRPTA status or whether any FIRPTA exemption  
618 applies. The Parties are advised to consult with their respective independent legal counsel and tax advisors regarding  
619 FIRPTA.

620  **SELLER PAYMENT OF COMPENSATION TO BUYER'S FIRM:** Seller agrees to pay to Buyer's Firm the amount of  
621 \_\_\_\_\_ (e.g., dollar amount, % of purchase price, etc.), toward Buyer's brokerage  
622 fees at closing. Payment made under this provision represents an economic adjustment only and does not create any  
623 agency relationship between Buyer's Firm and Seller, and the Parties agree Buyer's Firm is a direct and intended third party  
624 beneficiary of this contract.
