**2 Discussion and possible action.**

- a.** Make recommendation for Storm Sewer Materials. (Quotations were opened April 8, 2026.)

Kraege stated the quotes were reviewed by staff. County Materials was the only one who submitted prices for concrete structures. Volm was the only one who submitted prices for the erosion control materials. Quotes were received from Ferguson and First Waterworks for Cretex Rings, HDPE pipe, and castings. The pricing was almost identical. Staff recommends purchasing these materials from Ferguson as we have a long history of working with them and are comfortable continuing to work with them. Motion by Public Works Director Lindman, seconded by Assistant City Attorney Bonino, to approve purchase of concrete items from County Materials, approve purchase of erosion control materials from Volm, and approve purchase of rings, HDPE pipe and castings from Ferguson. Motion Passed 2-0.
