

BOARD OF PUBLIC WORKS

Date of Meeting: September 10, 2025, at 11:00 a.m. in the Council Chambers

Members Present: Eric Lindman, Maryanne Groat

Also Present: Mayor Diny, Lori Wunsch

In compliance with Chapter 19, Wisconsin Statutes, notice of this meeting was posted and received by the *Wausau Daily Herald* in the proper manner.

Open Request for Proposals – Residential Refuse and Recycling Collection and Disposal Services

The following proposals were received and opened:

	Monthly per household unit	
	<u>7 Year Quote</u>	<u>10 Year Quote</u>
Harter’s Fox Valley Disposal	\$11.50	\$11.50
Waste Management of Wisconsin, Inc.	\$14.07	\$14.07

Groat explained that there was a standard proposal form with lots of components to the contract. The main component is curb side collection. The results will be summarized, sent to the contractors, and available on the City’s website. The goal is to submit this to Public Health & Safety for their meeting on Monday. There are other components to the specs, such as picking up for City facilities, public dumpsters located on City streets, options for improving efficiencies and cost effectiveness of the program, and cost inflation calculation. Groat noted that she received an email from GFL indicating they were not going to bid. These were the only three contractors that seemed interested in the City’s system.

Lindman moved to adjourn the meeting. Groat seconded and the motion passed. Meeting adjourned at approximately 11:05 am.
